

REMAINS LIGHT

Made to order in a variety of sizes, materials, and finishes

Shown with rose gradient patinated bronze shaft

Steel with a black oxide patina

Black marble base

Photo sensitive cast glass by Bianco Light & Space

10" w x 10" l x 12.5" h

Made in Collaboration with Bianco Light & Space, the Remains Light combines bold geometric shapes in a rich assortment of materials. The patinated bronze, blackened steel, and marble stand is brought to life by the mesmerizing glow from the hand cast glass, which shifts from purple to pink when illuminated.

Made in Brooklyn, NY
